

# A Safe Place for Healing

Marshall Health Network is committed to providing a safe environment for patients, visitors and staff.

We will not tolerate violent or aggressive behavior of any kind, including:

- Verbal harassment and threats
- Physical assault or inappropriate touching
- Throwing items
- Stalking
- Damaging health system property
- Refusal to follow hospital policies

Violent or aggressive behavior will result in engaging Security and possible expulsion from hospital grounds.

If necessary, we will notify the police.

Pursuant to West Virginia Code 61-7-14, possession of firearms and other weapons are prohibited on the premises.

Thank for your understanding and cooperation as well as your respect for our patients, visitors and staff.
